EXECUTIVE ENGINEERING PROFILE & TECHNICAL PHILANTHROPY

ANIL SHARMA

Reliability & Maintenance Expert | E&I Specialist | Projects Execution | Trainer

Senior Engineering & Reliability Leader (28+ Years Industrial Rigor)

Domain: https://toanilsharma.co.in | LinkedIn: linkedin.com/in/toanilsharma | Email: toanilsharma@gmail.com

EXECUTIVE OVERVIEW

Distinguished industrial engineering leader with 28+ years of extensive, hands-on leadership across mega continuous-process manufacturing complexes (Reliance Industries Limited, Ambuja Cements). Specialist in asset life-cycle optimization, Reliability-Centered Maintenance (RCM), Failure Mode and Effects Analysis (FMEA), Root Cause Analysis (RCA), and high-voltage power distribution Certified SHRM Facilitator and DNV GL IMS Lead Auditor (ISO 9001/14001/45001) with a deep passion for institutionalizing zero-unplanned breakdown cultures, training 200+ engineers, and pioneering 100% free, first-principles virtual simulation tools for global education.

CORE AREAS OF EXPERTISE & METHODOLOGIES

* Asset Reliability Strategy: RCM, FMEA, Weibull, PM/PdM Optimization
* Power Systems Automation: 66kV/11kV/415V Switchgears, Transformers
* Turbomachinery Dynamics: Vibration analysis, Dynamic rotor balance
* Safety Governance: IEC 61508 / 61511 Safety Instrumented Systems (SIS)
* AI & Modern Web Solutions: Browser float64 physics simulators
* Standards Compliance: IEC, IEEE, ASME, NFPA, API, ISO 55000
* Root Cause Problem Solving: Ishikawa, 5-Why, TapRooT, Fault Tree
* People Development: SHRM-certified competency building & workshops

GLOBAL OPEN-ACCESS PLATFORMS (100% FREE PHILANTHROPY)

LiveSimulators.com (65+ Interactive Virtual Laboratories)

Real-time float64 physics simulators spanning Power Electronics (Buck/Boost/SPWM), Power Systems Automation, SafeOps UPS, ElectroLive Safety, an

DesignCalculators.co.in (150+ Standardized Engineering Calculators)

Comprehensive engineering calculation suite adhering strictly to IEC, IEEE, ASME, and NFPA codes. Utilized by tens of thousands of practicing engineers

ReliabilityTools.co.in & ElectroSafe.homes

Advanced industrial reliability suites for MTBF, Weibull, Availability modeling, and global educational resources for electrical fire risk prevention and reside

FORMAL CREDENTIALS & CERTIFICATIONS

* DNV GL Certified IMS Lead Auditor - ISO 9001 (Quality), ISO 14001 (Environment), ISO 45001 (Safety)
* SHRM Certified Facilitator - Executive Capability, Technical Mentorship & Leadership Facilitation
* Certified Electrical & Process Safety Auditor - Mega Continuous Process & Petrochemical Complexes
* MBA in Project Management - Sikkim Manipal University
* Diploma in Electrical Engineering - Chandigarh College of Engineering & Technology
